Dehydration in Older Adults: 7 Tips to Stay Hydrated, Stay Healthy

July 15, 2025 /// No Comments

Staying hydrated is important for everyone —but for older adults, it's essential. As we age, our bodies naturally hold less water, and the sense of thirst becomes less reliable. That means dehydration can sneak up quickly and lead to serious health issues —especially during hot summer months or long days on the go.

nova Product Spotlight

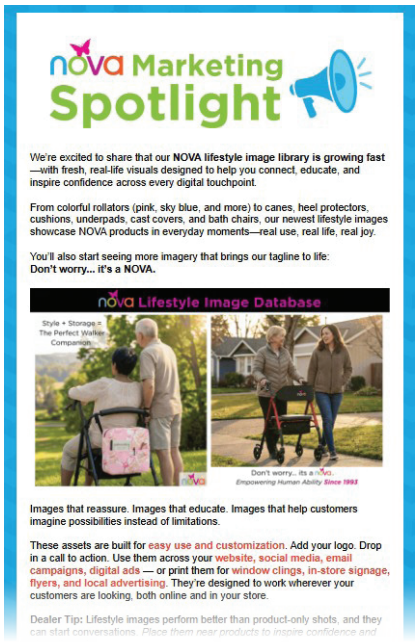

We're spotlighting two Transport Chairs that show just how much freedom and flexibility these products can offer—especially when customers can see themselves using them.

Many customers think of wheelchairs as the only option for transporting loved ones. *But transport chairs open up a world of lighter, more portable, and lifestyle-friendly solutions*—and education is key.

That's why we recommend having at least these two models on your floor to demonstrate the options and possibilities.

379 Ultra Lightweight Transport Chair
Incredibly easy to lift, fold, and take on the go, perfect for travel, errands, and everyday outings.

353 Transport Chair with Hand Brakes & Rugged Wheels
Built for more adventurous terrain, offering added control, stability, and confidence when heading outdoors.

We're excited to share that our **NOVA lifestyle image library is growing fast**—with fresh, real-life visuals designed to help you connect, educate, and inspire confidence across every digital touchpoint.

From colorful rollators (pink, sky blue, and more) to canes, heel protectors, cushions, underpads, cast covers, and bath chairs, our newest lifestyle images showcase NOVA products in everyday moments—real use, real life, real joy.

You'll also start seeing more imagery that brings our tagline to life:
Don't worry... it's a NOVA.

nova Lifestyle Image Database

Images that reassure. Images that educate. Images that help customers imagine possibilities instead of limitations.

These assets are built for easy use and customization. Add your logo. Drop in a call to action. Use them across your website, social media, email campaigns, digital ads — or print them for window clings, in-store signage, flyers, and local advertising. They're designed to work wherever your customers are looking, both online and in your store.

nova Product Spotlight

When I decided to bring the JOY into **NOVAjoy**, it came from the heart — inspired by our customers and my greatest hope for them. Because in life, one of our most beautiful callings is to **cultivate joy** — to inspire it, feel it, and share it.

This weekend, while indulging in one of my own joy rituals — ice cream from my favorite little shop — I saw a NOVA customer doing the same. My heart soared with JOY.

Ice Cream + NOVA Express = JOY in Action!

And the Express is an Action Packed Rollator ready to Cultivate JOY!

With *10" front wheels and 8" rear wheels*, the Express Rollator glides easily over uneven terrain, offering a smooth and confident experience indoors or out. The **lightweight aluminum frame** makes it easy to lift and store, while **the padded seat, backrest, and under-seat pouch** keep comfort and convenience close at hand.

EXPRESS

- Weighs just 15.5 lbs — easy to lift and transport
- Folds quickly and stands when folded for convenience
- Available in a variety of bright, beautiful colors

The Cane Carousel

Complete Display & Cane Program

NOVA's Cane Carousel is simply the best cane display on the market. The unique and patented "spinner" rack display can be either free standing or in-line on a peg or slat wall, and it just got better and more beautiful. Better ... with an updated selection of best-selling canes and very efficient and effective two-tiered price and inventory tags. Beautiful ... with a redesigned sign that is both eye catching and super chic. The Cane Carousel also includes a consumer/warranty support program. The program is seamless, easy, and profitable. Give us just 16 inches and we will give you the most profitable item in home healthcare!

WALKERS

The *Gemini* is a game changer. NOVA's first hybrid rollator walker is a class above the rest, with a sleek design that quickly converts into a transport chair with a flip of the backrest and tool-free, push-button attachment of the footrests. It stands upright when folded, making it easy to fold, roll, carry and store. Get ready to go more places - together - with the all-new NOVA *Gemini*.

ROLLING WALKERS

We love our stand-up rollators, the **Phoenix Rise UP Rollator** and the **Dragon Fold & Go Rise UP Rollator**, because they give your body the vehicle to ***Rise Up & Look Forward.*** Their unique design makes walking happen ... with an upright, forward looking posture, optimum control, stability and much reduced body strain and fatigue. And the **Dragon**'s special *Fold & Go* folding mechanism lets you fold it down super compactly, making it ideal for storage and travel.

The Knee Walker

What is the Knee Walker?

The NOVA Knee Walker is an excellent mobility device for foot or ankle injuries when the affected area cannot bear weight or has limited weight bearing precautions. It can be a great long or short term alternative to crutches or folding walkers that can have adverse effects, such as back or under arm pain from extended use. The Knee Walker allows the user to maintain an active and more independent lifestyle which will help him/her progress to a quicker recovery.

Features:

- Oversized, contoured padded platform pad (comfortable and long-lasting)
- Durable, anatomical synthetic rubber handles
- Steering assembly allows the user to easily maneuver and helps maintain better stability
- Large 8" wheels provide a smooth ride over uneven surfaces
- Locking hand brakes provide speed control and allows user to stay in a single position without rolling during everyday tasks
- Quickly adjusts for right or left leg injuries
- Easy-to-fold down steering column is convenient for transport and compact storage

A great alternative to crutches!

On the cover is a moment I will never forget.

Just me and Emma. No noise. No fear. Only presence and connection. She reminded me that what we don't understand isn't something to avoid, it's something to respect.

That truth lives at the heart of NOVA. For 33 years, we've built NOVA with you, by stepping into the unknown together. With trust. With courage. With a shared belief that better is always possible. Like that moment in the water, our journey has been built on connection and respect.

At NOVA, our purpose is clear: ***Empowering Human Ability***. And we do that - together. Because in a changing world, one thing remains: **connection is what moves us forward**. The mystery is what makes life brilliant. And the courage to step into it - together - is what makes partnerships extraordinary.

Thank you for the trust you've placed in us for 33 years. We are deeply grateful... and we are just getting started.

With appreciation and partnership,

Sue Chen
Founder & CEO

On this back cover, Emma is surrounded by wounded veterans, alongside Richard Branson, during an Operation Blue Pride expedition.

As Co-Founder of Operation Blue Pride, this work is deeply personal. We bring wounded veterans into the ocean for experiences that go beyond the dive - restoring confidence, creating connection, and opening the door to new possibility.

Because connection and hope doesn't just change moments -

It changes lives.
