

Suction Cup Towel Hook

- Easily add shower accessories to your bathroom
- Attaches via powerful suction mechanism without any tools
- Stylish finish for a modern touch to any bath or shower
- Easy to move or reposition

User Instructions

1. Before attaching to a surface, check the Suction Cup Towel Hook to ensure it is clean from any debris.
2. Press the Suction Cup Towel Hook on a clean, smooth, dry surface. (figure 1)
 - Ensure the surface is flat, clean, dry, and smooth.
 - The Suction Cup Towel Hook must not overlap any grout lines. (figure 4)
 - Not to be used on painted surfaces (i.e. drywall).
3. While pressing the suction cup on the surface, pull down the hook until it locks into place with a click sound. (figure 2)
4. Installation is finished. (figure 3)
5. After installing, please test the hook by hand to ensure it is fixed on the surface. If not, repeat installation.

CAUTION: Read all instructions before installation.

NOVA assumes no liability for any damage or injury caused by improper installation or use of this product.

- Test if Suction Cup Tower Hook is securely mounted before each use. Reinstall if necessary.
- This product requires a minimum 5"x5" (127mm) surface tile.
- Max load: (10 lbs / 4.5 kgs)
